

EASE Combination Packages

Being a Master Diagnostician is hard work, and sometimes you need a combination of tools to get the job done. Imagine how useful it would be if one tool allowed you to view comprehensive diagnostic data and scope signals side by side. Or using a different approach, provided you with the same level of diagnostic data and the ability to perform powertrain and body/chassis vehicle reprogramming. For the ultimate coverage, what about an all-in-one system that combines scanning, scoping and reprogramming? There's no need to imagine any longer!

With the EWINS (EASE Wireless INtegrated System) from EASE Diagnostics, we've created three systems that combine the power of our Award Winning PC Scan Tool, Ultimate PC Scope, and J2534 Universal Vehicle Reprogrammer, to give you the most powerful diagnostic arsenal ever made! You can scan, scope and/or reflash using a single system - helping you make accurate vehicle repairs the first time. No tool will ever replace a Master Diagnostician - but EASE is working harder to help make your job easier.

Great Add-On: Order a Laptop (Z-LAPTOP-1) from EASE with your EWINS package and the laptop will arrive with the EASE software installed and ready to go!

**GM, Ford & Chrysler
PC Scan Tool**

**Wireless Vehicle
Interface**

PC Scope

**J2534
Reprogrammer**

PC Scan Tool & PC Scope Package

Order: EWINS-A-06

Includes GM, Ford and Chrysler Enhanced Powertrain/Air Bag/ABS/Body PC Scan Tool Package, Wireless Vehicle Interface and Automotive PC Scope Diagnostic Kit

PC Scan Tool & J2534 Reprogrammer Package

Order: EWINS-B-06

Includes GM, Ford and Chrysler Enhanced Powertrain/Air Bag/ABS/Body PC Scan Tool and J2534 On-Board Reprogramming Kit with Wireless Card

PC Scan Tool, J2534 Reprogrammer & PC Scope Package

Order: EWINS-C-06

Includes GM, Ford and Chrysler Enhanced Powertrain/Air Bag/ABS/Body PC Scan Tool, J2534 On-Board Reprogramming Kit with Wireless Card and Automotive PC Scope Diagnostic Kit.
